EXISTING LAND USE:

Pallet resale business and residence

PROPOSED LAND USE:

Revise the conditions of a previous conditional rezoning request (Enrolled Ordinance No. 167-76, SZT-1692A).

PUBLIC HEARING DATE:

December 7, 2022

PUBLIC REACTION:

None.

TOWN PLAN COMMISSION AND TOWN BOARD ACTION:

On December 7, 2022, the Town of Merton Plan Commission recommended approval of the request to amend the conditions of RZ-1692A to allow the petitioner to sell returned merchandise from major retailers.

COMPLIANCE WITH THE COMPREHENSIVE DEVELOPMENT PLAN (CDP) FOR WAUKESHA COUNTY AND THE TOWN OF MERTON LAND USE PLAN:

The Comprehensive Land Use Plans for Waukesha County and the Town of Merton designate the property as Commercial and Office Park. The Commercial designation is defined in the CDP as land devoted to retail, office, service activities, general business activities, and/or research and development and related off-street parking. The proposed amendments to the zoning will be consistent with both plans.

STAFF ANALYSIS:

In October 2009, a request to rezone the property to the B-3 General Business zoning district (RZ-1692) was submitted to allow a cold storage, food packaging and food processing operation. The rezoning was approved conditioned upon the property being limited to the uses requested: cold storage, packaging of seafood products, value added production for seafood, and limited retail for "special event" sales of seafood to the local community. The condition also stated that any other proposed uses are subject to the zoning amendment process set forth in the Town of Merton Zoning Code and the Waukesha County Shoreland and Floodland Protection Ordinance. It should be noted that the petitioners applied for Site Plan/Plan of Operation approval for the cold storage operation but did not follow through or comply with the conditions and did not obtain permits to operate.

In 2011, a Certified Survey Map was approved and recorded which split off a parcel containing a single-family residence from the south end of the site.

In September 2012, the owner requested to amend the conditional B-3 zoning on the property (RZ-1692A) to allow the property to be used for warehousing of dry goods that would include paper products, machinery, molds for parts, etc. In addition, the petitioner proposed to convert the area on the north end of the building into a residence for an on-site employee or manager. The amendment was approved, subject to two (2) conditions:

1. The rezone is conditioned upon being limited to personal and commercial storage uses (including cold and heated storage) of the owner and/or operator and shall not be rented or leased to the general public for multi-tenant or mini-warehouse type storage. Any other proposed uses are subject to the zoning amendment process set forth in the Town of Merton Zoning Ordinance and the Waukesha County Shoreland and Floodland Protection Ordinance.
2. Residential use shall only be permitted in conjunction with or accessory to an otherwise permitted use. The approval of this request will allow the property to be used for dry warehousing and storage with living quarters for an onsite manager but will not allow other more intense uses normally permitted in the B-3 Zoning District.

The property contains a 27,020 square foot cold storage facility, five loading docks, dry storage, and offices. A residence also exists on the north end of the property, attached to the warehouse building. The property is served by private waste disposal systems and private wells. The surrounding zoning categories are residential to the east, west, and south and B-2 (Town) along both the north and south sides of CTH K. There are a number of single-family residential structures in the area, with a mobile home park to the east and a tavern to the west. An ingress/egress easement runs through the parking lot and provides access to the residential properties to the south.

The petitioner is requesting to amend the conditional B-3 zoning on the property to allow a tenant to operate a resale business (Hartland Liquidation) in the southern portion of the warehouse building, which is an otherwise allowable use in the B-3 District. The residence will be utilized by the property owner and the north portion of the warehouse building will be used for personal storage of the owner. The resale business has been operating out of the site for a few years, and the Town approved a Site Plan/Plan of Operation for the business in 2022. The petitioners receive 1-2 deliveries a week of pallets containing returned merchandise from major retailers, which are then resold to the public, generally through online sales. Customers come to the site to pick up merchandise and there are limited retail hours for the general public to browse and purchase goods, outside of the online sales. All merchandise is stored indoors and there are striped parking spaces for customers.

STAFF RECOMMENDATION:

Based upon the above analysis, Planning and Zoning Division Staff recommends **conditional approval** of the request, subject to the following conditions:

1. The rezone is conditioned upon being limited to personal and commercial storage uses (including cold and heated storage) and low impact commercial uses as determined by the Town of Merton Waukesha County through the Site Plan/Plan of Operation process.
2. Residential use shall only be permitted in conjunction with or accessory to an otherwise permitted use. The approval of this request will allow the property to be used for limited commercial or storage uses with living quarters for an onsite manager but will not allow other more intense uses normally permitted in the B-3 Zoning District.

The proposed use is similar to the previous uses and is consistent with the Town of Merton Land Use Plan and the Waukesha County Comprehensive Development Plan. Furthermore, the use should be compatible with immediate surrounding land uses and the Site Plan/Plan of Operation review will control the specific activities on the site as related to parking, lighting, noise, hours of operation, signage, etc. The proposed modification of conditions will allow for additional business types to operate within the large building without the necessity of the going through additional rezoning proceedings provided the town and county approve of the use through the Site Plan process.

The property is described as Lot 4, Certified Survey Map No. 9933, part of the SW ¼ of Section 5, T8N, R17E, Town of Oconomowoc. The property is located immediately south of Lot 1, CSM No. 8592 with frontage on Pennsylvania Street, and contains approximately 55.9 acres.

EXISTING ZONING:

PROPOSED ZONING:

R-1 Residential District.

EXISTING USE(S):

Agricultural.

REQUESTED USE(S):

Divide off a 2-acre parcel from the existing larger parent parcel, currently utilized for agriculture, for the construction of a single-family residence.

PUBLIC HEARING DATE:

November 21, 2022.

PUBLIC COMMENT:

None.

TOWN PLAN COMMISSION ACTION:

On December 5, 2022, the Town of Oconomowoc Plan Commission and Town Board recommended conditional approval of the rezone.

COMPLIANCE WITH THE COMPREHENSIVE DEVELOPMENT PLAN (CDP) FOR WAUKESHA COUNTY AND THE TOWN OF OCONOMOWOC CDP:

The property is designated in the Farmland Preservation category on the Comprehensive Development Plan for Waukesha County and in the Prime Agricultural category on the Town Land Use Plan. The proposal to rezone approximately two (2) acres is consistent with plan recommendations that call for a maximum density of one dwelling unit per 35 acres. The remnant acreage will be deed restricted from further non-agricultural development in accordance with Section 6.19 of the Waukesha County Zoning Code and Section 11(i) of the Waukesha County Shoreland and Floodland Protection Ordinance.

STAFF ANALYSIS:

The subject property is located north of the CTH CW (Mapleton Road) and west of STH 67 with frontage on Pennsylvania Street. The property is approximately 56 acres and is currently being farmed. The property is vacant and does not contain any improvements. The property is bordered to the south by the Ashippun River and to the west by Pennsylvania Street. The land adjacent to the Ashippun River is designated as floodplain and floodway as well as wetlands and environmental corridor. There is an intermittent stream on the east side of the property, running north to south, and connecting to the Ashippun River. The land adjacent to the stream is also designated as wetlands and environmental corridor.

The subject property is part of a larger farm tract comprising of five parcels and a total of 163 acres. The farm tract extends north to Evergreen Road, along the border of Waukesha and Dodge County. The northern portion of the farm tract (OCOT 0450.998.001 and OCOT 0453.995) contain several ponds which make up a large wetland complex. The ponds are connected to the wetland complex and Ashippun River to the south via the aforementioned intermittent stream. There is one residential parcel within the farm tract which was created via a Certified Survey Map in 1998 and utilizes one (1) density right. The parcel which is owned by Forrest and Jennifer Derse contains a single-family residence and two (2) accessory buildings.

The lands are zoned Farmland Preservation (FLP) pursuant to the Waukesha County Zoning Ordinances. Plan designations are Farmland Preservation per the Waukesha County Comprehensive Development Plan and Prime Agricultural on the Town of Oconomowoc Land Use Plan. The Farmland Preservation District states that new lots or new residences on less than 35 acres shall only be permitted with the creation and rezoning of a new parcel. The overall density of the farm tract must be maintained at one dwelling unit per 35 acres. Given that the farm tract contains 163 acres in the Farmland Preservation category, and only one development right has been utilized, the petitioners have three (3) available density rights.

The property owner is proposing to divide two acres from the west side of the property and rezone the property to R-1 Residential for the purpose of constructing a single-family home, utilizing one (1) development right. The proposed lot will be directly south of the Derse property in an attempt to cluster the residential development. The proposed lot contains 322.7' of frontage along Pennsylvania Street and does not contain any of the mapped environmental features. The proposed lot would be outside of the County's Shoreland and Floodland Protection Ordinance jurisdictional limits. The owner does not intend to utilize the other development rights at this time, however, based on the required clustering provision for new residences within the FLP district and existing environmental features, any new lots would likely be created to the north of the Derse property, along Pennsylvania Street.

The proposed parcel complies with the lot size requirements (1 to 3 acres) set forth by the FLP rezoning process, as well as the minimum average width requirements (150 ft.) of the R-1 District. The parcel location and subsequent residence will not limit the agricultural use of the 56-acre remnant farmlands, preserving and maintaining productive and viable agricultural land that adds to the economic base of Waukesha County. The proposed 2-acre parcel meets the Farmland Preservation District siting standards as the new home site will be located near the road, generally clustered with other residential development, outside of the mapped environmental features and provides the least disruption to cultivated lands.

STAFF RECOMMENDATION:

The Planning and Zoning Division Staff recommends this request be **approved**, subject to the following conditions, which are inclusive of the Town's conditions. Additions to the town's conditions are shown in **bold** and deletions are identified in a strikethrough format.

1. The Zoning Amendment shall only amend the zoning on the two (2) acre parcel as shown on ~~the Sheet 1 of the proposed CSM~~ (Exhibit A). No other lands are to be rezoned.
2. A Certified Survey Map of the proposed parcel shall be prepared by a ~~Registered~~ Professional Land Surveyor in the State of Wisconsin, dividing the parcel as proposed, shall be reviewed and approved by the Town Plan Commission and Town Board.

3. A Declaration of Restrictions shall be prepared and reviewed and approved by the Town Planner and Waukesha County Planning and Zoning **Division** Staff and recorded in the Waukesha County Register of Deeds Office that states that, pursuant to the Town of Oconomowoc Comprehensive Land Use Plan -2035 and the Waukesha County Comprehensive Development Plan, three (3) additional development rights remain for the remnant farm holdings and the proposed new lot is entitled to only one (1) dwelling unit. Said restriction must state that the restriction shall apply in perpetuity unless the County Comprehensive **Development** Plan Farmland Preservation designation under both the Town of Oconomowoc Comprehensive Land Use Plan – 2035 and the Waukesha County Comprehensive **Development** Plan for the property is amended in the future.

If approved as conditioned, the zoning change is consistent with Town and County Comprehensive Development Plan recommendations as the 35-acre farmland preservation density requirement is being met. The rezoning of two acres of land will allow the petitioner to construct a residence on a new parcel while not limiting the agricultural use of the remaining farmlands. As conditioned and in accordance with the requirements of the Waukesha County Zoning Codes, a Deed Restriction will be recorded to disclose to future owners the remaining density rights on the original farm tract. This will ensure that the 35-acre density is maintained over time and that the vast majority of the land preserved on site remains in productive farmland or agricultural uses. This furthers the goals of the Farmland Preservation Plan to preserve the last remaining five square mile blocks of productive farmland within the County, adding to the economic base of Waukesha County and preserving the rural landscape.

WHEREAS, the grant funds of \$20,000 available to Waukesha County provide an opportunity for the Waukesha, Ozaukee, Washington Workforce Development Board and its business solutions group team to promote available workforce services for job seekers and businesses; and

WHEREAS, the Waukesha, Ozaukee, Washington Workforce Development Board will utilize the grant funding to host events in 2023 that will bring together business leaders and representatives from the workforce system; and

WHEREAS, the grant provided will fund both \$18,000 in direct operating expenses requiring budget modification and \$2,000 in administrative cost recovery, such as staff time, which is already included in the 2023 budget and does not require budget modification.

THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA ORDAINS that the Department of Parks and Land Use is authorized to accept the Winning with Wisconsin's Workforce Event Series Grant.

BE IT FURTHER ORDAINED that the 2023 Parks and Land Use – Workforce and Economic Development Fund Budget be modified by appropriating operating expenditures of \$18,000 and increasing general government revenue by \$18,000.

FISCAL NOTE

MODIFY THE 2023 WORKFORCE AND ECONOMIC DEVELOPMENT FUND BUDGET
TO ACCEPT WINNING WITH WISCONSIN'S WORKFORCE EVENT SERIES GRANT
AND APPROPRIATE EXPENDITURES

This ordinance authorizes the Department of Parks and Land Use -- Workforce and Economic Development Fund to accept \$20,000 of Wisconsin Department of Workforce Development grant funding under the Winning with Wisconsin's Workforce Event Series. This grant is intended to convene four events with local and regional business leaders to learn, access, and engage with workforce development resources. Each event will focus on a different topic, including workforce participation, technology and training, and removing barriers to employment. This ordinance appropriates \$18,000 in operating expenses to carry out these events. The remaining \$2,000 is expected to fund administrative costs related to the grant, such as staff time, which is already included in the 2023 budget and does not require further budget modification.

This ordinance has no direct impact on county tax levy.

1 MODIFY SPEED ZONE ON COUNTY TRUNK HIGHWAY KF
2 FROM LINDSAY ROAD TO CTH JK
3

4 WHEREAS, Wisconsin Statutes §349.11 permits local authorities to modify speed restrictions
5 within statutory guidelines; and
6

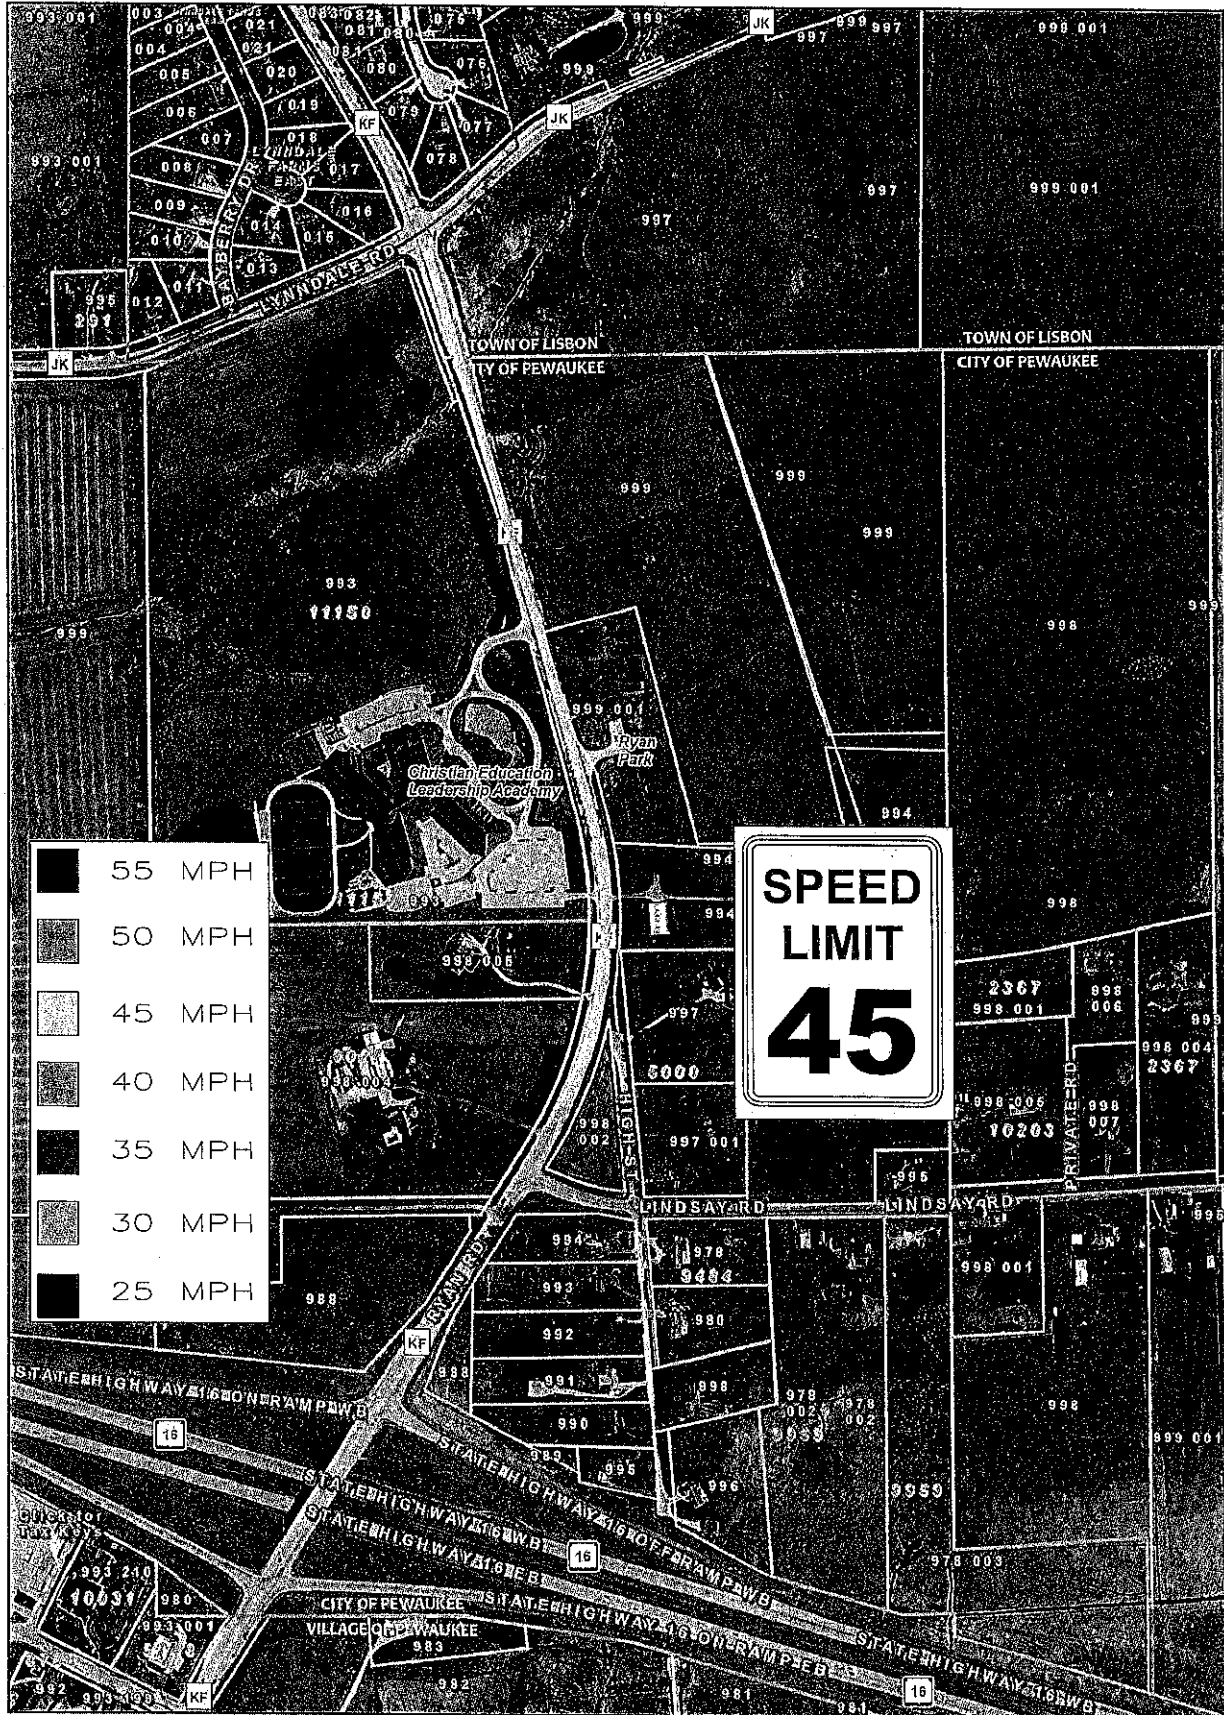

7 WHEREAS, in response to public inquiries and a review of vehicle speeds and collisions along
8 this segment of highway, the Waukesha County Department of Public Works finds it
9 appropriate, pursuant to Wisconsin Statutes §346.57(4)(g), to modify the speed limit to 45 mph
10 in both directions of County Trunk Highway KF from a point three hundred and fifty (350) feet
11 north of the centerline of Lindsay Road to its intersection with CTH JK in the City of Pewaukee
12 and the Town of Lisbon.
13

14 THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA ORDAINS
15 that that the speed zone along both directions of County Trunk Highway KF in the City of
16 Pewaukee and the Town of Lisbon is modified to be forty-five (45) miles per hour from a point
17 three hundred and fifty (350) feet north of the centerline of Lindsay Road to its intersection with
18 CTH JK.
19

20 BE IT FURTHER ORDAINED that this ordinance rescinds all previous speed restrictions for the
21 above-described portion of the County Trunk Highway System.

AIRPORT TERMINAL AND TOWER ROOF REPLACEMENT

This ordinance modifies the 2023-2027 Capital Plan and 2023 Capital Project budget to increase expenditure authority by \$50,000 to cover above-budget construction costs for the Airport Terminal and Tower Roof Replacement (#202101). This ordinance also increases the use of Airport Fund balance by \$50,000 to fund these expenditures.

The department received the bids for this project in December 2022. The bids came in higher due to rising costs in petroleum-based materials due to consumer demand and limitation of supply. Additional funding is required in order to complete the construction of the project.

This ordinance is funded with one-time use of Airport Fund balance and does not result in an impact to tax levy. Airport management indicates that the effect of this ordinance on Airport Fund balance is expected to be offset by savings in the Airport's Perimeter Road Extension project (#202108) and Ramp Rehabilitation project (#202110). According to Airport management, the Wisconsin Bureau of Aeronautics received additional federal funding allocations and plans to apply them toward these projects, reducing the county's share of costs by about \$238,000.

Project Scope & Description

This Project is to replace 10,600 GSF (gross square feet) of 60 mil EPDM (rubber) roofing on the Airport Terminal building and 500 GSF of 60 mil EPDM roofing on the Airport Control Tower building.

Locations

2525 Airport Drive, Waukesha, WI 53188

Analysis of Need

The Airport Terminal was constructed 1998 and the control tower in 1995, and both have the original roofing systems. EPDM roofs are typically under warranty for 15 years and have a useful life expectancy between 15 and 20 years. The terminal roof and the tower roof both have been patched and deteriorated due to sun exposure. At time of replacement the roofs will be 25 and 28 years old.

The construction costs are updated after receiving the bids for this project. The bids came in above budget due to rising costs in petroleum-based materials due to consumer demand and limitation of supply. The terminal and tower roofs will be replaced with elastomeric white coating (90 mil thickness), which is a superior and less expensive product with a 20-year warranty, instead of the 60 mil EPDM with a 15-year warranty, due to the longer warranty and cost savings.

Alternatives

Patch the roof when leaks develop.

Ongoing Operating Costs

Operating costs will be reduced for labor and materials associated with repairing leaks and associated damages.

FISCAL NOTE

REHABILITATION AND EXPANSION

This ordinance modifies the 2023-2027 Capital Plan and 2023 Capital Project budget to increase expenditure authority by \$22,100 to cover above-budget costs for the Airport Parking Lot Rehabilitation and Expansion project (#202109). This ordinance also increases the use of Airport Fund balance by \$22,100 to fund these expenditures.

The original project budget was \$1,650,000, with the county share being 5% or \$82,500. The department has been notified there is an increase in project costs of \$441,200 to \$2,091,200. Airport management indicates that the state Bureau of Aeronautics has identified additional funding to continue limiting the county's share of costs to approximately 5% and is in the process of getting approval to allocate those funds to this project. The estimated county share increases \$22,100 to \$104,600, which is net of anticipated 95% state/federal funding.

This ordinance is funded with one-time use of Airport Fund balance and does not result in an impact to tax levy. Airport management indicates that the effect of this ordinance on Airport Fund balance is expected to be offset by savings in the Airport's Perimeter Road Extension project (#202108) and Ramp Rehabilitation project (#202110). According to Airport management, the Wisconsin Bureau of Aeronautics received additional federal funding allocations and plans to apply them toward these projects, reducing the county's share of costs by about \$238,000 in total.

Project Scope & Description: This project will rehabilitate the existing airport terminal parking lot and expand the parking lot to the East by 6,616 square yards (for a total of 14,977 square yards) as planned in the Airport Master Plan and the Airport Layout Plan. The project will provide an additional 107 parking spaces.

Location: Waukesha County Airport Terminal Ramp Development Area.

Analysis of Need: The current parking lot is 8,361 square yards and was constructed with the Airport Terminal in 1997 and contains 99 spaces for airport users, rental cars, event traffic and employees. It was designed to meet the demand for aeronautical service providers with the intent of expanding the parking lot once demand was met. The parking lot is filled to capacity on a weekly basis. Several times each year during larger events, alternate parking must be created on Aviation Drive, in adjacent service provider parking lots, and on the Terminal aircraft parking ramp. Maintenance on the existing lot has been increasing over the last six years including crack sealing, line striping, repaving failed sections, and resetting storm water inlets.

The 2002 Airport Master Plan evaluated the available parking facilities supporting activities in the terminal building and found that, at that time, there was a need for an additional 25 parking spaces and projected that by 2020, the airport would require an additional 116 spaces. The current design will accommodate most of the need with 107 additional spaces. The terminal ramp development area was designed to be able to "mirror" the existing parking lot to the East when demand necessitated expansion. At this point, the parking lot is in need of rehabilitation and expansion.

The total project costs are updated to increase \$441,200 after receiving the project bid results. The county's share, after federal and state revenues are applied, increases by \$22,100.

Alternatives: The parking lot rehabilitation and expansion could be divided into multiple projects over several years. This option would reduce expenditures in 2023 but would increase expenditures in later years. Overall project cost would increase due to multiple mobilizations. State and federal funding availability as well as material costs may vary greatly in future years.

Ongoing Operating Revenues/Costs: A new airport tenant is expected to construct a facility in 2023. The net annual increase to the airport revenue budget is estimated to be approximately \$39,000. This includes additional based aircraft and increased fuel revenues (the airport receives \$0.10/gallon sold).

The new parking lot space will result in additional ongoing costs of approximately \$3,000 annually for snow removal. In the short term, this will be balanced by a decrease in maintenance for the existing parking lot which has required increased maintenance each year over the past six years.

Previous Action: This project was approved with this scope as enrolled ordinance #176-053. Approved as planned in the 2022-2026 capital plan.

TO: Chairman Paul Decker
FROM: Paul Farrow
RE: Appointment of County Representative to the Eagle Spring Lake Management District Board

This letter is submitted to recommend Lance Matthews as a replacement for Supervisor Christine Mommaerts as the Waukesha County representative on the Eagle Spring Lake Management District Board. Mr. Matthews has lived on Eagle Spring Lake for five years and is looking forward to raising his family on the lake for years to come. Mr. Matthews is a local high school science teacher with a bachelor's degree in Broadfield Science Education and Chemistry. He enjoys working within communities to help make well informed decisions. He is well qualified to help the district fulfill its mission to maintain high quality water in Eagle Spring Lake. It is this background that makes Lance an outstanding appointee to the Eagle Spring Lake Management District Board.

Thank you for your swift consideration.

ESTABLISH AND APPROVE THE DEPARTMENT OF HEALTH AND HUMAN SERVICES
2023 FEES FOR COMMUNITY MENTAL HEALTH, DEVELOPMENTAL DISABILITIES,
AND SUBSTANCE USE DISORDER SERVICES

WHEREAS, the Waukesha County Department of Health and Human Services (HHS) provides billable services to clients for community mental health, developmental disabilities, and substance use disorders under § 51.42 Wisconsin Statutes; and

WHEREAS, DHS 1.03(2), Wisconsin Administrative Code, requires the Waukesha County Board to annually establish and approve the usual and customary fee schedule for community mental health, developmental disability and substance use disorder services; and

WHEREAS, the Wisconsin Department of Health Services recently clarified the establishment and approval of these fees should be by annual ordinance; and

WHEREAS, the establishment of these fees is required by third-party payors and helps approximate the cost of providing the services; and

WHEREAS, HHS contracts with various insurance providers and charges a lower, contracted rate, similar to Medicare approved rates, for services provided to a client with a contracted insurance provider; and

WHEREAS, the usual and customary fee schedule for 2023 will increase seven percent over the 2022 schedule; and

WHEREAS, the HHS 2023 budget contemplated increases in the 2023 usual and customary fee schedule and contracted rates and no budget modification is necessary.

THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA ORDAINS that the usual and customary fee schedule, unless otherwise specified by contract, for community mental health, developmental disability, and substance use disorder services, as indicated in Table 1 on file with the Department of Health and Human Services and made part of this ordinance by reference, be approved.

3 FOR CAPITAL PROJECTS
4

5 WHEREAS, Waukesha County, Wisconsin (the "County") is in need of an amount not to exceed
6 \$12,500,000 for the public purpose of paying the cost of capital projects included in the County's
7 2023 Capital Projects Expenditure Plan consisting of justice and law enforcement projects;
8 public works projects; parks, environment, education and land use projects; and vehicle
9 replacement projects; and
10

11 WHEREAS, it is desirable to authorize the issuance of general obligation promissory notes for
12 such purpose pursuant to Chapter 67 of the Wisconsin Statutes.
13

14 THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA ORDAINS
15 that the County may borrow an amount not to exceed \$12,500,000 by issuing general obligation
16 promissory notes for the public purpose of paying the cost of capital projects included in the
17 County's 2023 Capital Projects Expenditure Plan consisting of justice and law enforcement
18 projects; public works projects; parks, environment, education and land use projects; and vehicle
19 replacement projects.
20

21 BE IT FURTHER ORDAINED that there be and there hereby is levied on all the taxable
22 property in the County a direct, annual tax in such years and in such amounts as are sufficient to
23 pay when due the principal and interest on such notes.
24

25 BE IT FURTHER ORDAINED that this action by the County Board of Supervisors is taken
26 pursuant to Section 67.12(12), Wis. Stats., and is intended to constitute a "resolution" for
27 purposes of that section.

1 MODIFY THE 2023 BUDGET BY TRANSFERRING CARRYOVER FUNDS FROM 2022
2 UNEXPENDED APPROPRIATIONS TO 2023 BUDGETED APPROPRIATIONS
3

4 WHEREAS, funds were appropriated in the 2022 budget for certain items or services which, for
5 various reasons, were deferred to 2023; and
6

7 WHEREAS, requests of the departments for carrying other unspent funds and related revenues
8 from the 2022 budget are recommended for carryover after review by the County Executive.
9

10 THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA ORDAINS
11 that a total of \$1,924,909 be carried forward from 2022 accounts into the 2023 budgets, to enable
12 the purchase of goods and services, as indicated on the carryover schedule on file with the
13 County Clerk and made part of this ordinance by reference.
14

15 BE IT FURTHER ORDAINED that the funding necessary to cover the carryover expenditures
16 be provided by appropriating the related revenues in the amount of \$1,160,224 and related 2022
17 fund balance in the amount of \$764,685 for a total of \$1,924,909.

REQUESTED CARRYOVERS 2022-2023

Parks and Land Use - General Fund \$190,000			
Account Number	Amount Approved	Projects	Justification
100.100.1060.1062.MAINTN.7110	\$135,500	Nagawicka Lake Boat Launch	The request is to carryover \$135,500 of boat launch repairs in the Parks Three Year Maintenance and Projects Plan for the Nagawicka Lake Boat Launch Renovation. The northern half of the existing boat launch is in disrepair, and continued use of the ramp is having detrimental effects on adjacent lake bed and parking lot pavement. The department of Parks and Land Use was awarded a State DNR Recreational Boating Facilities Grant, which will fund a portion of the project. The Finance Committee approved a fund transfer in December increasing fixed asset appropriations to meet the expected project budget. Additional time was necessary to finalize the contract execution and review contractor bonding documents.
100.100.1060.1062.MAINTN.7255	\$49,000	Minooka Park Restroom	The request is to carryover \$49,000 in budget authority associated with the Mukwonago Park restroom addition project. Bids in 2022 were overbudget, and the department staff will re-bid in 2023.
100.100.1070.1070.0.4021	\$5,500	Turkey Stamp Grant	Carryover is requested for the Turkey Stamp grant, largely due to seasonal staff turnover, and will be utilized in Q1 and Q2 of 2023 to complete remaining grant work.

Parks and Land Use - W/OA Fund \$522,700			
Account Number	Amount Approved	Projects	Justification
260.100.1885.1885.ARP.6590	\$522,700	Worker Advancement Initiative Program	The request is for \$522,700 for costs associated with the American Rescue Plan Act - Worker Advancement Initiative program through the Department of Workforce Development for contracted employment services. The grant period runs until September 30, 2023.

Parks and Land Use - Materials/Recycling Facility Fund \$40,000			
Account Number	Amount Approved	Projects	Justification
580.100.1900.1910.0.5740	\$40,000	MRF Robotic Sorting Equipment	The request is for \$40,000 to be carried over for costs associated with new robotic sorting equipment. The amount represents the county's share of net costs (split 50/50) with the city of Milwaukee, after applying grant funds (enrolled ordinance 176-84, 176-24). There was a delay in implementing due to supply chain disruptions.

Health & Human Services - General Fund: \$215,000			
Account Number	Amount Approved	Projects	Justification
150.360.8100.8108.300.6590	\$215,000	Avatar Nx Upgrade	This request is to carryover funds intended to upgrade and improve the department's electronic health record system to a new platform from one that is being de-supported. The project was delayed during 2022 due to the vendor taking longer than anticipated to develop the replacement product.
Sheriff: \$312,721			
Account Number	Amount Approved	Projects	Justification
100.200.2012.2022.HIDTA.4020	\$14,500	High Intensity Drug Trafficking Areas (HIDTA) Grant Overtime and Special Investigation Supplies	The Sheriff's Department was awarded a HIDTA grant from the Office of National Drug Control Policy for drug investigation and enforcement. The budget appropriated a total of \$117,254, and all but \$18,271 of the grant has been spent at the end of 2022. Per the HIDTA policies, the Sheriff's department has two years to spend the funds allocated. The department is requesting a carryover of \$18,271 for overtime and special investigation supplies, which are HIDTA eligible expenses within the HIDTA eligible timeframe.
100.200.2012.2022.HIDTA.5191	\$3,771		
100.200.2024.2095.0.5695	\$55,250	Jail Equipment Replacement Plan	The Sheriff's Department is requesting to carryover \$189,750 of unspent equipment replacement funding from 2022 to 2023. The carryover is for completing the replacement of cameras, upkeep of the audio system, and for small equipment. Equipment replacements includes refrigeration equipment and appliances, a new dishwasher belt for the Jail kitchen, and cameras. Fixed asset items requested for carryover are for the inmate check system, which is in process of getting bids, and for the replacement of equipment items.
100.200.2024.2095.0.5675	\$30,000		
100.200.2024.2095.0.7300	\$104,500		
100.200.2016.2016.0.5750	\$48,300	Vehicle Equipment Replacement	The department is requesting to carryover funds related to vehicle purchases. This includes a new squad vehicle for the expansion of the Kettle Moraine School Resource Officer contract (approved in September 2022) that was not able to be purchased before year-end 2022, along with related equipment for this vehicle and six other squad vehicles that were replaced late in 2022.
100.200.2016.2016.EQPMNT.5750	\$12,400		
100.200.2016.2016.0.7410	\$44,000		

Account Number	Amount Approved	Projects	Justification
100.400.4200.4017.0.7255	\$32,400	Premises Access Control Security Card Reader Upgrade	The main control boards for the premises security card readers are original to the system when it was installed more than 12 years ago. The control boards are no longer supported and have been failing in all the county buildings, resulting in some card access readers to work and some to not work. As this is a security issue, facilities management has been replacing the readers as quickly as possible. A number of failures were identified at the end of 2022, and a purchase order was not able to be put in place before the deadline.
100.400.4400.4012.0.6975	\$3,733	Facility Management Transit Van Set-Up Costs	The 2022 Public Works - General Fund budget includes the Central Fleet set-up costs for two transit vans to be purchased through the Vehicle Replacement Plan. The 2022 order for these transit vans was cancelled by the manufacturer. Purchase of these transit vans is now planned for 2023. However the setup costs for these vehicles remains budgeted in 2022. The request is to carryover the estimated set-up costs for these vehicles into 2023 to align with the new purchase date.
100.400.4000.4000.0.6975	\$2,458		
240.400.4600.4620.0.5442	\$18,000	Signposts	To receive the best pricing for signposts, the Purchasing division bids out the product in a larger quantity, resulting in a delivery quantity for two-year usage. Working with budget staff, it was determined that the best way to budget for this is to budget one-half the cost each year and request a carryover of unspent funds every other year. The funds requested in this carryover will be added to the 2023 budget and provide enough funding for another order that will last two years.

ARPA \$573,253			
Account Number	Amount Approved	Projects	Justification
270.500.2700.2709.ARP.A.5673	\$65,000	Website, Cloud, and Cyber Security Infrastructure	The proof of concept for the website redesign was completed during 2022. Further project implementation was delayed due to vacancies in key project member positions and vendor contract negotiations.
270.500.2700.2709.ARP.A.6495	\$250,000		
270.400.2700.2717.ARP.A.7110	\$100,000	Catch Basin Rebuild	Due to the retirement of the division manager, it took longer for department staff to initiate implementation.
270.400.2700.2718.ARP.A.7300	\$20,964	Recycled Water for Brine	Department management has issued a purchase order for an additional 30,000 gallon brine water storage tank. Department management plan to use the requested carry over of remaining funds along with budgeted 2023 funds for additional storage tank capacity and related equipment infrastructure.
270.360.2700.2712.ARP.A.5673	\$84,000	Enhancement to Child Welfare Infrastructure	There was a delay in getting a project lead on board for implementation of the Systems Review Model (SRM). This carryover request would fund the purchase of the SRM software.
270.360.8100.2707.ARP.A.payroll accounts	\$53,289	HHS Technology Implementation Support	This funding was budgeted to provide temporary assistance for implementing department system improvements, but projects were delayed due to the vendor taking longer than anticipated to configure software upgrades.
Non-Departmental General Fund \$10,000			
Account Number	Amount Approved	Projects	Justification
100.510.9000.9000.0.6390	\$10,000	Waukesha Employee Health and Wellness Center Flooring Replacement	In preparation for floor replacement at the Waukesha Employee Health and Wellness Center in 2023, Facility Management performed its due diligence and identified asbestos beneath the existing clinic flooring. (There is no danger to current clinic users, but the asbestos must be removed before installing the new flooring.) The discovery occurred late in 2022, and the county was not able to issue a purchase order to remove the asbestos before year-end. This request is to carryover \$10,000 of loss control funding in the Non-Departmental budget into 2023 to address the asbestos removal.
Bridges Library \$4,644			
Account Number	Amount Approved	Projects	Justification
210.130.1320.1326.0.6590	\$4,644	Bridges Library Website Redesign	The initial RFP process for this project was unsuccessful, with all bids coming in over budget. The RFP was rewritten to more accurately reflect the Library needs and reissued. This delayed the project start date. It is anticipated the website will be completed in the first quarter of 2023.
