 variety **care program**

Partnering with other agencies to improve the **health, wellness** and **quality of life** for children.

20

Care Program Partners

21

ChatterMatters!

Giving children a voice with adaptive communication devices

22

Children improve their communication device use through traditional camp activities:

- ♥ Arts & crafts
- ♥ Adaptive sports
- ♥ Cooking
- ♥ Dancing
- ♥ Campfires
- ♥ Music

All activities are designed to incorporate the communication device.

23

Device Learning 101

Camp provides hands-on workshops for parents to learn more about the device and how to program it. Presentations are led by AAC specialists.

Parents learn how to:

- Navigate child's device
- Create custom pages and personalized buttons
- Model AAC for their child

24

2022 Camp

- ♥ June 16th-June 19th, 2022
- ♥ University of Wisconsin – Whitewater
 - ♥ One of the most adaptive and wheelchair friendly college campuses in the United States
- ♥ Cost
 - ♥ \$250-Wisconsin residents; \$400-Non-WI residents
 - ♥ CLTS approved provider
- ♥ Accepting applications November 1- January 24th
