## CAPITAL AND OPERATING BUDGET PROCESS

---

The annual budget process, under a County Executive form of government, is comprised of the development of both an operating budget and a capital budget with a five-year capital plan. Both processes involve department budget submittals to the County Executive for review and approval. The resulting Executive's Budget is then presented to the County Board and reviewed by County Board Committees as assigned by the County Board Chairman and as designated in County Code. Standing Committees review the budget and recommend amendments to the County Board. The Executive Committee reviews, prioritizes, and makes recommendations relative to the five-year capital plan for County Board consideration. The County Board considers Committee and individual supervisor amendments and adopts a budget. The County Executive may exercise a line item veto of provisions contained within the County Board adopted budget. The County Board reviews all vetoes and takes action to override or sustain vetoes.

The chronological sequence of events followed by the Capital and Operating Budget Processes is as follows:

### Budget Amendment Process

The Waukesha County budget process operates pursuant to Section 65.90(5)(a) and (b), Wisconsin Statutes. Any expenditure change which deviates from the original purpose or amount approved in the adopted budget constitutes a "budget change" and must be approved by a two-thirds vote of the entire County Board. Budget changes made under this statutory provision, except for Finance Committee transfers described in #1 and #2 below, require the County to publish a class 1 notice within 10 days after a change is made. Failure to give notice precludes changes in the proposed budget.

To amend the budget an ordinance is prepared by the requesting department, reviewed by the Department of Administration and the County Executive. If the County Executive approves the ordinance, it is forwarded to the County Board for action. All such ordinances amending the County Adopted Budget require a two-thirds majority vote of the entire membership (17 votes of County Board).

State law also permits county boards to delegate specific budgetary fund transfer authority powers to its finance committee. In Waukesha County, the County Board, in accordance with State Statutes, has empowered the Finance Committee to authorize the following fund transfers:

1. To transfer funds between budgeted items of an individual office, agency or department, if such budgeted items have been separately appropriated.
2. To supplement the appropriation for a particular office, department, or activity by transfers from the contingency fund. Committee transfers shall not exceed the amount set up in the contingency fund and may not exceed 10% of the funds originally appropriated for an individual office, department, or activity. Transfers in excess of 10% must follow the budget amendment process.

If a transfer of funds is determined to be necessary and the above two criteria are met, then the requesting department prepares the transfer request and submits it to the DOA-Budget Division for review and a recommendation to the County Executive. If the County Executive approves the request, it is forwarded to the Finance Committee for action.
