**SUPPLEMENTAL ORDER REGARDING EMERGENCY TEMPORARY MEASURES
REGARDING SPEEDY TRIALS/PROMPT DISPOSITIONS**

In any criminal case where there exists a statutory deadline and a continuance or adjournment has already been entered or will be entered, the Court finds that the period of any continuance entered during the effective dates of the Order Regarding Emergency Temporary Measures dated March 13, 2020, or any extension thereof, as a result of that order shall be **EXCLUDED**, because the court finds that the ends of justice served by taking such action outweigh the interests of the parties and the public in a speedy trial, given the need to protect the health and safety of defendants, their counsel, prosecutors, court staff and the public by reducing the number of in-person hearings to the fullest extent possible.

In any criminal case subject to a statutory speedy trial demand, pursuant to Wis. Stat. § 971.10 or a prompt disposition request in a felony case pursuant to Wis. Stat. § 971.11, the Court finds that the period of any continuance entered from the date of this Order through April 12, 2020, as a result of this Order shall be **EXCLUDED** under the Speedy Trial statute, Wis. Stat. § 971.10, because the Court finds that the ends of justice served by taking that action outweigh the best interests of the public and the defendants in a speedy trial as well as the

interests of any victims, given the need to protect the health and safety of defendants, their counsel, prosecutors, court staff, victims, and the public by reducing the number of in-person hearings to the fullest extent possible. *See* Wis. Stat. § 971.02(3)(a). Such a continuance is found not to result in a miscarriage of justice. *See* Wis. Stat. § 971.02(3)(b). Following the conclusion of the Order Regarding Emergency Temporary Measures, each Court shall promptly reschedule the trials to afford defendants' the benefits of their constitutional rights; strict adherence to the time periods designated in the Statute, if good cause is found, shall not be required such that trials are to be set for the earliest possible date.
