

Waukesha County Day Report Center

The Waukesha County Day Report Center, located at the Huber Facility on Northview Road in the City of Waukesha, provides intensive supervision of offenders sentenced by the courts or referred by the Sheriff's Department as an alternative to incarceration. The primary goals of the program are to reduce the Jail and Huber populations, as well as reduce recidivism by identifying and addressing offenders' needs. As a result of a marked increase in referrals, the program was recently expanded and space renovated to accommodate larger caseloads as well as provide employment assistance and community service site placement for offenders.
