This ordinance requests the 2011 Emergency Preparedness-Disaster Management program budget be modified to include \$3,250 of federal Homeland Security grant award funds to support the County's participation in the Milwaukee Urban Area Security Initiative (UASI). The purpose of the Initiative is to enhance area capabilities to prevent, respond to, recover from and mitigate against all-hazard emergency and disaster situations, including both natural and man-made disasters or emergencies.

According to the Emergency Management Department, \$3,250 of the grant funds are to be used to provide regional training for a Medical Reserve Corp to member volunteers in the Citizens and Organizations Active In Disaster (COAD) organization. This includes instructor fees and class materials and instructors lodging, meals and mileage.

This grant results in no additional direct tax levy impact in 2011.
