

## FLIGHT TO PEARL HARBOR – APPLICATION DEADLINE FEBRUARY 6, 2012

I have about 1 – 2 weeks to identify Pearl Harbor survivors from the State of Wisconsin who may be interested and able to take a flight to Pearl Harbor with the Old Glory Honor Flight's "Return to Pearl". **Application deadline is FEBRUARY 6<sup>TH</sup>.**

I wanted you to be of the first to hear our official news. Old Glory Honor Flight will be embarking on a very special flight for a special group of WWII Veterans.

As you know this year was the 70<sup>th</sup> Anniversary of the Bombing on our U.S. Forces in Pearl Harbor. Old Glory Honor Flight is in the process of planning for taking about 30 – 40 Pearl Harbor Survivors from the State of Wisconsin back to Pearl Harbor. Some of these Veterans may not have ever been back. All of them are in their 90's. **This will be a flight that will take place from June 14, 2011 through June 18, 2011.** Other significance to the day that we leave is that it is Flag Day.

I am on the planning committee which involves fund raising and speaking engagements. I am also planning as Vice President of Old Glory Honor Flight to take this historic flight. As an Honor Flight Hub, we queried the other Hubs in the State and did not get much of a response, so we decided to take the lead and be the ones to do this important mission for the State of Wisconsin. Today is the first day of our media launch, but I wanted you to be some of the first to know.

See our website for further information: <http://www.oldgloryhonorflight.org/index.html>  
You can also follow us on face book, twitter and other social medias that I know little about.
