FISCAL NOTE

AUTHORIZE THE WAUKESHA COUNTY SHERIFF'S DEPARTMENT TO CONTRACT
WITH THE VILLAGE OF MERTON TO PROVIDE POLICE SERVICES

This ordinance authorizes the Waukesha County Sheriff's Department to continue to provide police services to the Village of Merton. The Sheriff's Department has provided municipal patrol coverage to the Village since 1998, and plans to continue to do so by entering into another contract agreement beginning in 2014. The contract will require the County to provide patrol coverage, along with necessary equipment for one rotating (five days on, two days off, four days on, and two days off) shift (about 1.19 full-time equivalents (FTE's), factoring in training, vacations, etc.) as well as dedicated supervision of two hours per week through a shared supervisor position. In addition, the contract allows for separate charges for all overtime costs incurred from policing functions, including overtime related to court appearances in connection with the prosecution of municipal ordinance violations.

The Village of Merton will pay the County for the base service level in monthly installments based on the annual budgeted costs of supplying contract police services (with actual overtime charges reimbursed quarterly). Proportional charges for indirect costs are also included in the contract amount. Therefore, there is no tax levy impact. Charges will be adjusted annually to reflect the adopted budget. The contract term will be from January 1, 2014 through December 31, 2018. Based on the Sheriff's Department's full cost recovery contract methodology, the Village of Merton will be expected to pay an estimated \$158,615 in fiscal year 2014.

The 2014 Sheriff Department Budget, as presented to the County Board by the County Executive adjusts revenues and appropriates expenditures accordingly, resulting in no tax levy associated with the execution of the contract. The Budget also includes all positions necessary for the continuation of this contract.
