BE IT FURTHER ORDAINED that the Waukesha County Sheriff's Department 2014 Budget is modified by increasing intergovernmental revenues by an additional \$5,000 and increasing the operating appropriation by \$5,000 for expenditures made in accordance with the High Intensity Drug Trafficking Area funding authorization.

FISCAL NOTE

AMEND THE SHERIFF'S DEPARTMENT 2014 BUDGET FOR THE EXPENDITURE OF OFFICE OF NATIONAL DRUG CONTROL POLICY COOPERATIVE AGREEMENT FUNDS FOR NASAL NALOXONE

This ordinance authorizes the Waukesha County Sheriff's Department to accept High Intensity Drug Trafficking Area cooperative funding in the amount of \$5,000 from the Office of National Drug Control Policy. This amount will be used to fund a two year Nasal Naloxone (Narcan) pilot program, under which trained deputies will be equipped with drug kits to treat overdoses of heroin or other opiates. Fifty kits would be purchased at a cost of \$100 each. The Department plans to conduct training by volunteer medical professionals during normal shifts to mitigate additional costs. 2013 Wisconsin Act 200 provides immunity from civil or criminal liability for properly trained law enforcement officers administering this drug to persons they believe to be undergoing an overdose.

Upon completion of the pilot period, the Department will make a determination of whether to continue the program; at which time they will pursue continued funding or absorb the cost in future operating budgets.
