SUBJECT: Proposed reduction of posted speed limit along CTH KF from Lindsay Road to 845 feet south of the intersection of CTH KF and CTH JK in the City of Pewaukee.

This proposed lowering of the 45-MPH posted speed limit to 35-MPH along 0.45-miles of CTH KF (Ryan Road) between Lindsay Road and CTH JK (Lynndale Road) was suggested by residents.

The incidence of traffic accidents is above the state average for this section's class of road. Most drivers having collisions in this segment of CTH KF were cited for driving too fast for conditions and/or failing vehicle control. 5 of 22 crashes recorded during 2010-2020 involved injuries. Reducing the posted speed through this section of CTH KF would be consistent with the CTH KF existing posted speed limit immediately to the south. An existing curve, increased traffic related to a school and county park along with collisions warrant reducing the posted speed limit of this section of road.
