AMEND THE 2016 SHERIFF'S DEPARTMENT BUDGET
FOR THE PURCHASE OF RIFLE OPTICS

This ordinance authorizes the Waukesha County Sheriff's Department to appropriate funds that the Department will receive by returning 27 rifle optics in order to purchase replacement rifle optics.

The manufacturer that the Department purchased the rifle optics from in 2004 and 2008 recently lost a lawsuit related to optic accuracy problems discovered by the Department of Defense and the Department of Homeland Security. In response to the lawsuit, the manufacturer is no longer selling the optics and is offering agencies who return the existing optics a full refund of the purchase price regardless of when the optics were purchased. The Sheriff's Department is requesting approval to appropriate \$8,800 in revenue that will be received by returning the optics to purchase replacement optics.

This ordinance results in no additional direct tax levy impact in 2016.
