Agreement Between Waukesha County Snowmobile Association, Inc. and Waukesha County for Maintenance of Waukesha County Public Snowmobile Trails and Distribution of Funds Under the Wisconsin Department of Natural Resources Snowmobile Aids Program

This Agreement is made by and between Waukesha County Snowmobile Association, Inc. herein called "Contractor", and Waukesha County, herein called "County", a Wisconsin municipal corporation, for the maintenance of public snowmobile trails located within Waukesha County pursuant to §23.09(26) and §350.12(4), Wis. Stats.

A. TERM OF AGREEMENT:

- 1) This Agreement is in effect from November 1, 2024 through March 30, 2025, renewable annually at the option of County.

B. SCOPE OF WORK:

Parties agree that the scope of work under this Agreement shall be limited to public snowmobile trails within the legal boundaries of Waukesha County. Contractor must obtain the County's written approval for any work performed outside the County's borders to be made part of this Agreement.

The Contractor shall perform the following services on an annual basis:

- 1) Verify with private landowners and the County that there are valid land use agreements on file with the County securing public access and use of land for snowmobiling by the public.
- 2) Prepare the trails for public use by grading, brushing, leveling, and performing other preparatory work necessary to provide safe riding conditions.
- 3) Install deck protection over surface of all multi-use trail bridges, to protect bridge decking and to provide for safe riding conditions. Inspect planking regularly, and close trail at bridge crossing immediately upon discovery of damaged or missing planking. Re-open bridge crossing only after repairs to planking are complete. All planking to be removed by April 1st each year.
- 4) Install and maintain snowmobile highway, trail, and guide signs conforming to NR 50.09 requirements. Coordinate signage with County and State departments.

- 5) Provide equipment and labor necessary to maintain and groom the trails in a safe riding condition.
- 6) Groom and maintain snowmobile trails to the minimum standards required under NR 50.09 and any other State or County rule or regulation.
- 7) Periodically inspect trails to ensure safe riding conditions. Notify Waukesha County Department of Parks and Land Use, Parks System Division of trail conditions as requested and provide current trail maps as requested.
- 8) Keep Snow Conditions Recorded Hotline up to date with trail condition/status. Indicate conditions as "Closed, Poor, Fair, Good, or Excellent", status as "Closed, Partially Open (indicate which trails), or Open", the amount of snow base in inches, and if the trails have been groomed. Inform County whenever conditions change so Department of Tourism website and County website can be updated.
- 9) Install and maintain approved trail open/closed signage that includes snow depth requirements at all major access points where snowmobile trail follows a multi-use trail corridor (i.e. Ice Age Trail, Bugline). Multi-use trail signs shall not be removed or covered without permission of agency placing the sign.

A. DISTRIBUTION OF FUNDS UNDER THE SNOWMOBILE AIDS PROGRAM

The County shall distribute funds available under the Snowmobile Aids Program as follows:

- 1) The County shall reimburse the Contractor for actual maintenance performed by multiplying the State of Wisconsin Department of Natural Resources approved Snowmobile Trail Maintenance rate per mile then in effect times the number of certified miles of Waukesha County public snowmobile trails maintained by Contractor, up to the maximum grant funding provided by the State of Wisconsin Department of Natural Resources. County agrees to distribute supplementary snowmobile trail maintenance payments provided by the State to Contractor subject to availability and eligibility.
- 2) Contractor agrees that above outlined services shall be provided for the amount stated in the preceding paragraph. Contractor understands that supplementary snowmobile trail maintenance payments are subject to availability and conditions and that as such, may not be available for distribution to Contractor. Contractor agrees that trails shall be maintained in a safe riding condition until the end of the snowmobiling season even if funds are exhausted prior to the end of the season.
- 3) Contractor shall submit to County requests for distribution of funds on Snowmobile Automated Recording System (SNARS) provided by the Department of Natural Resources. Requests must be submitted to the County by the 25th day of each month. Distribution of funds by County is contingent upon approval of work by County and/or the Department of Natural Resources and the availability of State Snowmobile Aids Program funds.

B. ADDITIONAL PROVISIONS

- 1) Contractor agrees that it is working in the capacity of an independent contractor with respect to the services provided. Nothing in this Agreement shall be considered to create the relationship of employer and employee between the parties.

- 2) Contractor agrees that it will, at all times during the term of this Agreement, keep in force and effect insurance policies required by this Agreement as noted below. Insurance certificates must be issued by a company or companies authorized to do business in the State of Wisconsin and that are satisfactory to the County. Such insurance shall be primary. Prior to commencing any on-site activity, the Contractor shall furnish the County with a Certificate of Insurance issued and upon request, certified copies of the required insurance policies. The Certificate shall reference this Agreement and provide for thirty (30) days' advance notice of cancellation or non-renewal during the term of this Agreement.

Failure to submit or maintain the insurance requirements may void this Agreement at the County's discretion. Minimum requirements are as follows:

Commercial General Liability: Policy shall be written to provide coverage for, but not limited to, the following: (1) Premises and Operations, (2) Products and completed operations, (3) Personal injury, (4) Blanket contractual coverage, (5) Broad form property damage and (6) Independent Corporation's coverage.

In case any action or proceeding is brought against Waukesha County by reason of any such claim or cause of action, the Contractor upon notice from Waukesha County shall defend Waukesha County and be responsible for payment of attorney fees and costs.
- 4) All changes that are mutually agreed upon by and between the County and the Contractor shall be in writing and designated as written amendments to this Agreement. Parties understand that County does not control the availability of funds and that funds may not be available for each year of the Agreement.
- 5) Nothing in this Agreement shall bind County to fund the snowmobile maintenance program should State funds no longer be available. County shall notify the Contractor on an annual basis as soon as funding amounts for the following snowmobiling season become available.
- 6) Termination of Agreement for Cause. If, through any cause, the Contractor fails to fulfill in a timely and proper manner its obligations under this Agreement, or if the Contractor violates the covenants, agreements or stipulations of this Agreement, the County shall

have the right to terminate this Agreement by giving written notice to the Contractor of such termination delivered pursuant to Section 8. The written notice shall be provided to the Contractor at least thirty days before the effective date of such termination. County may permit the Contractor a reasonable amount of time to cure a breach of the terms of this Agreement if the breach is amenable to a cure and County shall not unreasonably withhold such permission.

- 7) Any lawsuits related to or arising out of disputes under this Agreement shall be commenced and tried in the Circuit Court of Waukesha County, Wisconsin and the County and Contractor shall submit to the jurisdiction of the Circuit Court for such lawsuits.
