FISCAL NOTE

AUTHORIZE THE CITY OF OCONOMOWOC FIRE SERVICES TO JOIN WAUKESHA  
COUNTY DISPATCH AT A PRO-RATED RATE

This ordinance authorizes the Waukesha County Department of Emergency Preparedness to enter into an agreement with the City of Oconomowoc Fire District to join the Waukesha County Communications Center for central dispatch services.

In accordance with the agreement, and consistent with Waukesha County Enrolled Ordinance 157-39, the City will make a one-time capital contribution to the County of \$49,120.50 due on the effective date of the agreement (October 1, 2017). This represents 30% of the normal rate because it does not include City police services within its scope.. Should the City and County later agree to police services, an additional payment of 70% of the standard rate will be due.

This agreement will not require any additional staff since the County is already dispatching the Dousman fire district group. Other operating expenses related to the increased call volume are estimated to be minimal by the Department of Emergency Preparedness, and will be absorbed within the existing budget.

This ordinance has no impact on 2017 tax levy. The capital contribution will be reserved for future capital expenditures or equipment replacement at the Waukesha County Communications Center. Related revenues and expenditures will be included in future budgets.
