

ENROLLED ORDINANCE 174-030

APPROVE EXPENDITURE OF A CASH DONATION AND ACCEPT AN IN-KIND DONATION TO THE SHERIFF'S DEPARTMENT OF CHILD CAR SEATS AND BOOSTER SEATS AND MODIFY THE 2019 SHERIFF'S DEPARTMENT BUDGET

WHEREAS, St. Mary's Episcopal Church raised \$731, which they donated as cash to the Waukesha County Sheriff's Department; and

WHEREAS, the Waukesha County Sheriff's Department would like to use the donated cash to purchase public relations items to provide to children at community events; and

WHEREAS, St. Mary's Episcopal Church expressed an interest in donating ten new child car seats and five new booster seats for the Sheriff's Department to transport children and provide to members of the community; and

WHEREAS, Waukesha County Code Section 7-91(b)4 requires that in-kind donations with a replacement value of five thousand dollars (\$5,000) or more or those subject to a special condition must be accepted by the County Board; and

WHEREAS, the value of the child car seats and booster seats are approximately \$1,250; and

WHEREAS, the child car seats and booster seats are subject to a special condition as determined by the Corporation Counsel in that, pursuant to Code Section 7-91(b)1.A, these items add a special civil liability exposure not previously recognized in the Sheriff's Department program or operation, which could be addressed with the condition that acceptance of the donated car seats and booster seats requires the Sheriff's Department to obtain the appropriate certification for several deputies to become child passenger safety technicians as set forth in Section 895.497, Wisconsin Statutes in order to receive civil liability immunity for the acts of rendering such services in good faith and without a charge to members of the community.

THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA ORDAINS that it approves the expenditure by the Waukesha County Sheriff's Department of donated cash in the amount of \$731 to fund the purchase of public relations items to provide to children at community events.

THE COUNTY BOARD OF SUPERVISORS OF WAUKESHA COUNTY FURTHER ORDAINS that the 2019 budget of the Sheriff's Department be modified by increasing Other Revenue by \$731 and authorizing the appropriation of an identical amount by increasing the Operating Expense appropriation to fund the purchase of public relations items to provide to children at community events.

THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA FURTHER ORDAINS that the Waukesha County Sheriff's Department may accept the donated in-kind items of car seats and booster seats to be used for transporting children and providing them to members of the community with the condition that acceptance of the donated car seats and booster seats requires the Sheriff's Department to obtain the appropriate certification for several deputies to become child passenger safety technicians as set forth in Section 895.497,

Wisconsin Statutes in order to receive civil liability immunity for the acts of rendering such services in good faith and without a charge to members of the community.

FISCAL NOTE
APPROVE EXPENDITURE OF A CASH DONATION AND
ACCEPT AN IN-KIND DONATION TO THE SHERIFF'S DEPARTMENT
OF CHILD CAR SEATS AND BOOSTER SEATS
AND MODIFY THE 2019 SHERIFF'S DEPARTMENT BUDGET

This ordinance appropriates an additional \$731 of operating expense appropriations to purchase public relations materials to provide children at community events. This expenditure is funded with a donation from St. Mary's Episcopal Church.

This ordinance also allows the Sheriff's department to accept child car seats and booster seats donated by the same entity. The department estimates the value of these seats at \$1,250. Department management plans to provide and install these seats for individuals that need them as they encounter them during their regular work. In order to mitigate liability, department staff will need to be obtain certification to become child passenger safety technicians. Department management currently estimates that at least four employees will receive certification. Registration is estimated to cost \$250 per person, in addition to travel and lodging expenses for the three-day course. The department expects to absorb these additional costs within their existing training and travel budget.
