

Residential Recycling Frequently Asked Questions

Curbside Recyclables

See backside. For a printable version, visit www.waukeshacounty.gov/recycling and click the “Curbside Recycling” button, then click the “Curbside Recycling Guide” or “Curbside Recycling Guide – Spanish” button.

Large Trash Item or Missed Pick-Up

It is recommended to contact the contracted trash and recycling hauler to schedule a large item or missed pick-up. For an alternative option, you may contact a privately owned and operated landfill for disposal drop-off. Waukesha County does not own or operate any landfills.

Service	Phone Number
Trash/Recycling Hauler	<ul style="list-style-type: none"> • GFL (262) 367-6040 • Johns Disposal Services, Inc. (262) 473-4700 • Waste Management (262) 369-3080 or (888) 960-0008
Landfills	<ul style="list-style-type: none"> • GFL Environmental (Emerald Park) Muskego: (414) 529-1360 • Waste Management (Orchard Ridge) Menomonee Falls: (262) 253-8620

Trash/Recycling Container: Repair/Additional/New

Refer to the contract held between your municipality and the trash/recycling hauler that services your community or reach out to the hauler directly for further clarification (see above table for hauler contact information).

Household Hazardous Waste (HHW)

Household hazardous wastes are typically considered to be household products that can catch fire, react or explode under certain circumstances, or that are corrosive or toxic. For example, oil-based paints, solvents, gasoline, and weed killer. No latex paint or other water-based materials accepted. No propane tanks or cylinders accepted. For more information visit, www.waukeshacounty.gov/hazardouswaste.

Electronics or Televisions

Waukesha County does not host electronics disposal events, however your municipality may. Please contact our office if you would like more information in setting up an event. Other local disposal resources include:

- General Electronics: www.waukeshacounty.gov/electronics and click on the “Computers & General Electronics” button on the left for a complete list of community recycling options.
- Televisions: www.waukeshacounty.gov/tv for a complete list of community recycling options.

Yard Waste

Waukesha County does not have a residential yard waste drop off location. If your municipality does not offer a yard waste program, residents should contact a private firm or local landfill with composting operations (see above table for landfill contact information).

Other Items for Disposal

For proper disposal of other items such as latex paint, scrap metal, excess recyclables, appliances, propane tanks or cylinders, medical waste, and more visit, www.waukeshacounty.gov/productdisposal.

Frequently Asked Questions

Why can't we include scrap metal, plastic bags, hazards, garbage, and tanglers in the recycling bin?

These items damage equipment or cause serious fires. These materials can also risk recycling haulers' and facility workers' safety which can result in serious injury. Lastly, items that don't belong in the cart are costly to dispose of and can make other recyclables less valuable. For more information about proper disposal of these unacceptable materials, please visit our website.

How do I dispose of paint?

Latex paint should be dried and thrown in the trash. Oil based paints are hazardous waste and should be brought to a household hazardous waste collection site for safe disposal. Visit our website for locations.

Who do I call with questions about my collection service?

Contact your City, Town, or Village or your trash/recycling hauler with questions about collection service.
